DISPENSING DOCTORS' ASSOCIATION

The two key problems with NHS GP dispensing

GP dispensaries must cover their running costs - but the dispensing fee has been frozen since 2013

Many prescription items are now dispensed at a loss

DISPENSING DOCTORS' ASSOCIATION

In detail:

Not recognised: Inflation, employer NI costs, rural service operational costs...

Not recognised: Actual market prices, obtainable discounts, the cost of shortages...

The result: Patient services are at risk
